Camp Updates

The counsellor exchange is back!

The Leadership Exchange Program is a 27-day program that we are running in conjunction with YMCA Camp Pine Crest located in Muskoka, Ontario.

This program will focus on the development of leadership skills through an exchange trip to Camp Pine Crest. This exchange will involve a 4-5 day canoe trip on the French River.

Participants will also be able to develop their leadership skills on a 4-5 day hike near Camp Chief Hector YMCA. During this hike, the CCHY campers will use their leadership skills to host the Camp Pine Crest exchange participants.

Announcing "Juniors" for our 7 to 9-year-old Campers

In our efforts and commitments to Truth and Reconciliation at Camp Chief Hector YMCA, the program formally known as Chiniquay will be now referred to as **Junior Campers** while we move through an Indigenous consultation process.
